Commissioner for Patents

Sir:

An Information Disclosure Statement was filed on September 21, 2005. The Examiner "initialed" each reference on the Form PTO-1449 of the IDS, except reference "AA". This appears to be a minor oversight by the Examiner of the reference.

In view of the above, it is respectfully requested that the Examiner mail a Supplemental Notice of Allowability acknowledging reference "AA" in the IDS filed September 21, 2005.

Since the application has been allowed, this matter is somewhat urgent.

Respectfully submitted,

STAAS & HALSEY LLP
